

# INS-V-WAU

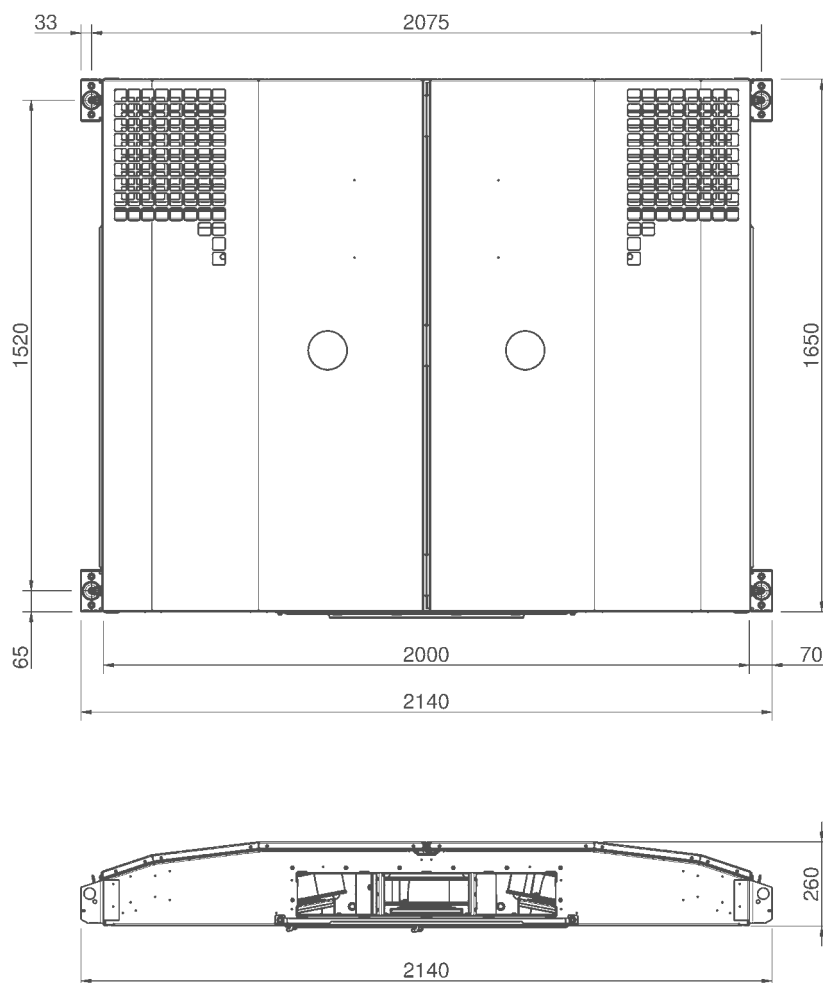

## Passenger ventilation unit

- Low profile passenger ventilation unit
- Metro/Subway car applications
- 100% Fresh air flow
- Light weight design (aluminium frame)
- Easy maintenance

# Technical data

INS-V-WAU	
Weight [kg]	150
Evap. Fresh Air flow [m <sup>3</sup> /h]	3900
Evap. Air flow total [m <sup>3</sup> /h]	3900
Controller	Only hardware control
Communication to train system	HW signals
Service communication	No
Power supply	110 V DC
Control voltage	110 V DC
Housing material	Aluminium
