

ThermoKare Extended Warranty

Protect your business

EXTENDED WARRANTY SERVICE SOLUTIONS
FOR REFRIGERATED TRANSPORT

Protect your business

When your business transports refrigerated cargo, it is essential that you have a plan in case something goes wrong.

That is why we have created ThermoKare Extended Warranty solutions.

Thermo King gives you peace of mind with its ThermoKare Extended Warranty solutions which seamlessly extend the standard factory warranty for up to five years.

Additional warranty options further increase your protection: call-out fees, and overtime for both the standard and the extended warranty period.

Extended warranty options*

PROTECTIONPLUS

The costs for callouts and overtime from incidents that occur outside office hours during the standard warranty period are covered by ProtectionPlus.

WARRANTYPLUS

With WarrantyPlus, you can extend the warranty coverage up to 5 years, including parts and labor.

ASSISTANCEPLUS

Fully covered! Assistance Plus covers all warrantable repairs, during and outside office hours up to 5 years.

* Terms and Conditions apply

Key features include:

WARRANTY REPAIR

Full coverage for both parts and labor.

UPFRONT PAYMENT

Everything is covered by a one-time upfront payment.

CALL-OUT AND OVERTIME

Optional extra coverage for warrantable repairs outside office hours.

GENUINE PARTS

Only genuine Thermo King parts are used.

Your benefits

UPTIME AND PEACE OF MIND

With coverage during and outside office hours you can relax, knowing that any disruptions are covered.

SERVICE NETWORK AND EXTENSIVE 24/7 COVERAGE

500+ authorized service points in 75 countries in EMEA are available to help and repairs are completed by authorized technicians using genuine parts.

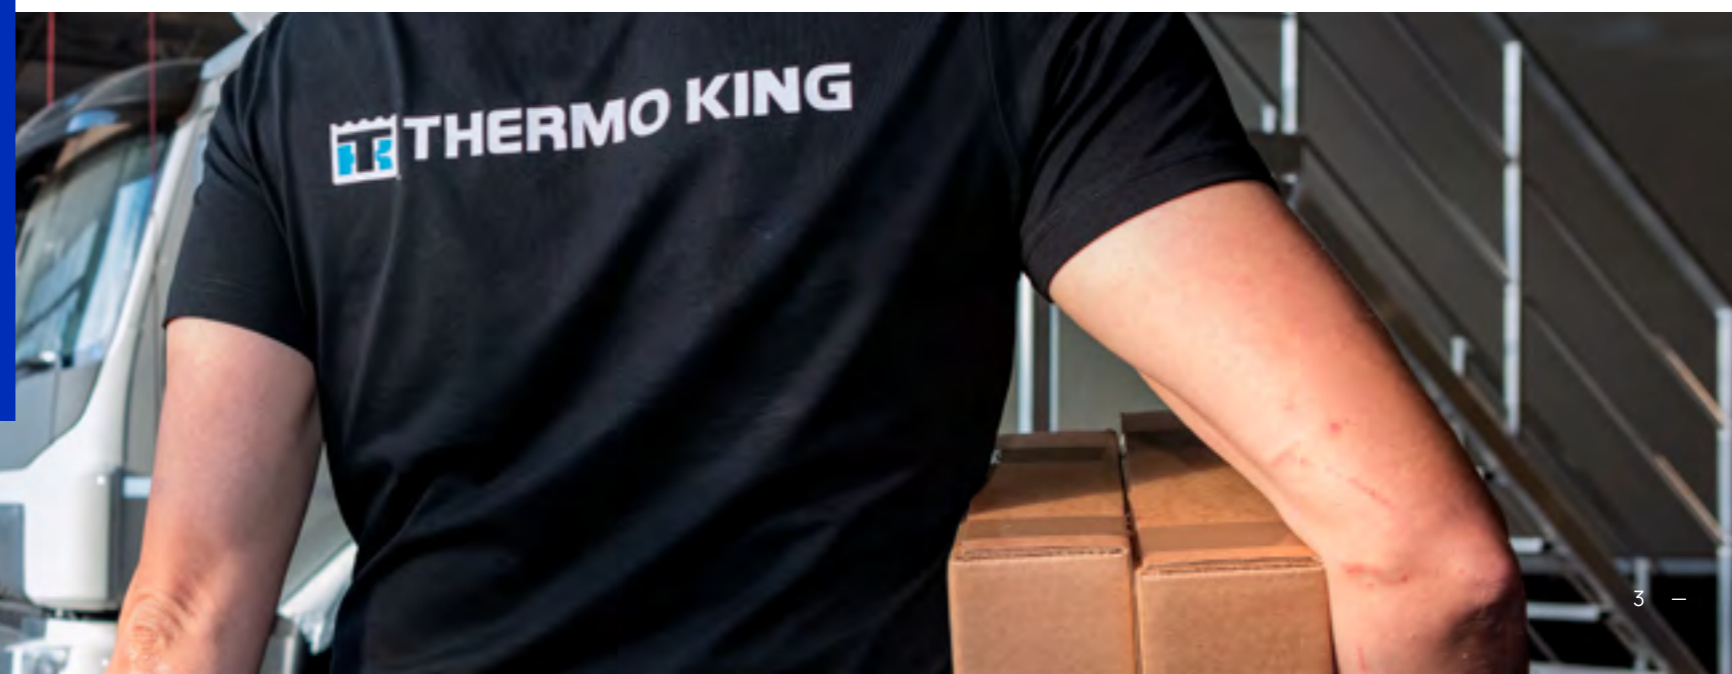

EASY BUDGET AND ADMINISTRATION

One simple upfront payment covers the entire warranty period. Not having to worry about adding any deductibles, it makes your administration straightforward.

BETTER RESALE VALUE

Authorized service history records protect the residual value of your equipment.
